John Wynn's Mirror Mirror is a psychological thriller that follows the lives of Industry leaders who are obsessed with their passions of greed, faith and lust. Critics are calling it *eye-opening, relatable and life-changing*.

Exclusive premieres have been conducted throughout Summer 2019 in Las Vegas, Atlanta, Dallas, Sacramento, Maryland, Orlando and more. It will be opened up to a limited theatrical release on October 11, 2019.

The film is about a Pastor who spends himself recklessly and is driven away by his own lust. His marriage is rocky but his ministry is great and he finds himself at a crossroads when he has a chance to walk away from it all. In an interesting contrast, there is a millionaire businessman consumed by his love for money, power and respect. In a story of triumph and defeat no one can unsee themselves in the mirror of truth.

The film stars actors such as Vincent M. Ward, Chanté Bowser, Tom Sizemore, Noel Gugliemi, Judi Evans and Sarodj Bertin. Tickets can be purchased on the Film's website at <http://www.johnwynnsmirrormirror.com> and Eventbrite.

The film was written and produced by Bishop John Wynn, the owner of The Wynn Network, a digital and theatrical distribution company and filmed by the Wynn Film Productions Studio in collaboration with Red Riot Films.
